George And The Dragon

George, the Dragon and the Princess

Sculptress Bianca Wilson is a living legend. St. George is also a legend, but not living.
However, when Bianca's sculpture of the patron saint and his scaly chum gets a bit too lifelike, it opens up a new can of wyrms. The dragon knows that in the battle between Good and Evil, Evil got a raw deal and is looking to set the record straight. And George (who cheated) thinks the record's just fine as it is.

**St. George and the Dragon**

**The Three Pigs**

`The dragon was born in the deepest crevices of a bottomless pool. Its father was Evil, its mother Darkness, and its name was Wickedness.' This magnificent picture book is reissued with a new cover and brings to life this powerful tale of England's patron saint and his triumph over the evil Dragon.

**Saint George and the Dragon**

A village. A dragon. A damsel in distress. Into the story walks George: wandering knight, freedom fighter, enemy of tyrants the world over. One epic battle later and a nation is born. As the village grows into a town, and the town into a city, the myth of Saint George which once brought a people together, threatens to divide them.
The Ice Dragon

George and Marco are curious about the celebrations going on in Chinatown. Luckily, their new friend Lily tells them all about Chinese New Year, and even asks for their help practicing the dragon dance for the big parade. But getting around in the dragon costume is hard work, and before they know it, their costume is in need of repair! Will they be able to fix it in time for the parade? This picture book, based on the Emmy Award-winning Curious George PBS TV show, includes bonus information about Chinese New Year traditions and fun crafts to celebrate with. For more monkey fun, investigate www.curiousgeorge.com and discover all the latest on Curious George books, promotions, games, activities, and more!

**St. George and the Dragon and the Quest for the Holy Grail**

Fairy tales are written both to entertain and to educate. Published in the shadow of the First World War, F. A. Steel's retellings of forty-one English fairy tales form a classic collection of stories, ranging from the familiar - 'Jack and the Beanstalk', 'Little Red Riding-Hood' and 'The Three Little Pigs' - to the perhaps less well known - 'The Black Bull of Norroway', 'Nix Nought Nothing' and 'The Red Ettin'. Originally published in 1918, it reflects the nationalistic concerns of the period. Steel takes the reader on a journey, from Cornwall to Bamburgh Castle via a palace by the sea, as well as high into the sky, where a giant lives. The magical tales in English Fairy Tales are brought to life by one of the best-known illustrators of the time, Arthur Rackham. Designed to appeal to the book lover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.

**St. George and the Dragon**

"It's 300 A.D in the eastern Roman Empire. A soldier named Marcellus takes a leave of absence to visit his father and get married. Then he meets a dragon, an alluring beast that
seems ready to fulfill his dreams of wealth, family, military success, and a secure Empire. But
is the dragon everything it claims to be? And what about the Christians on his father's estate
who show Marcellus a way of life that is both strange and attractive? And why does the dragon
view these Christians as a threat to the Empire? As he tries to answer these questions,
Marcellus comes to realize that he may have to choose between a life of Roman prosperity
and becoming an outlaw in the Empire he loves."--Page 4 of cover.

George and the Dragon

The ancient dragons -- of the time of the legendary Saint George and earlier -- have never
disappeared entirely. Instead, they've moved undercover -- and into human society. Now one
lonely schoolboy is about to learn where the dragons have gone Educated at boarding schools,
Simon St. George has never met his parents. When a ragged-looking man shows up claiming
to be his father, Simon is skeptical, and when the man kidnaps him, he's indignant to say the
least. Then the man claims to be a descendant of England's Saint George and a career dragon
fighter. Why should Simon believe any of this nonsense? But what if the man is telling the
truth? What if the dragons know he's out there? Rich with the dragon lore of legend, the saint
of dragons continues and enlarges on the tale of the centuries-old conflict between dragons
and humans that rages even today.

Young George and the Dragon
The perfect introduction to the legendary world of dragons, The Dragon Machine uses a clever mix of text and illustrations to describe how George, a young, overlooked boy, becomes aware of dragons hiding all around him. But when it becomes apparent that they don't belong in George's ordinary world, he endeavours to do the best for his new friends and find them the home they deserve. A heart-warming and magical tale from award-winning illustrator, Helen Ward.

**Saint George and the Dragon**

The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her
world from utter destruction. This new edition of The Ice Dragon is sure to become a collector's item for fans of HBO's megahit Game of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**An Alphabet of Animals**

George the mouse unintentionally rids the kingdom of a ferocious dragon.

**Young George and the Dragon**

St George and the Dragon: The Legend of Saint George and the Dragon. St George is the patron Saint of over 50 Countries worldwide. Each country celebrates St George.

**Baal, St. George, and Khidr**

These are the stories our ancestors told to explain how the world began; or they are the legends of half-remembered heroes and people whose lives were changed by magic. Brilliantly retold in the sparkling and inspirational words of the multiple award-winning and much-loved children's author, Geraldine McCaughrean, the tales will delight and entertain readers of all ages. Together, GEORGE AND THE DRAGON AND A WORLD OF OTHER STORIES with its two companion volumes, ROBIN HOOD AND A WORLD OF OTHER STORIES and KING...
ARTHUR AND A WORLD OF OTHER STORIES, make a wonderful gift collection of classic tales from around the world - many of them unavailable anywhere else.

The Dragon Knight

One cold, rainy afternoon George amuses himself by sketching a fire-breathing dragon flying above a castle. He finds himself inexplicably swept into the world he drew. Then it's up to George to face and defeat the evil of his own making.

Saint George and the Dragon

Have you ever wondered why the rich get richer and the middle class and poor keep falling behind? The fault lies not in the stars but in our human created economic system! This simple fairy tale introduces readers to an economic philosophy that, if implemented, could reverse this trend toward growing poverty and, instead, create a win-win-win economic and political system that promotes free enterprise prosperity, economic justice, AND an ecologically sustainable future. The story of Young George and the Dragon should be read not only by young adults but by politicians too! It is about time that everyone should discover the "Holy Grail of Economics".

Saint George and the Dragon
George moves to a new house in the country and is keen to explore his new surroundings. However, he quickly becomes very nervous as he discovers at least one, if not more, dragon living in the vicinity. This discovery really scares George until he buckles up the courage to tell his dad the scary news, because his parents don't seem to have noticed the dragons at all. George then learns a lot more than he had bargained for about the excitement of living in the countryside.

**The Saint of Dragons**

Once again, parable-man and storyteller Edward Hays opens the doors of the mind's magic theatre and provides a collection of mystic maps to guide readers on the path to the most fabulous of all hidden treasures--the Holy Grail. Illustrations by the author.

**Saint George and the Dragon**

Retells the segment from Spenser's "The Faerie Queene, in which George, the Red Cross Knight, slays the dreadful dragon that has been terrorizing the countryside for years and brings peace and joy to the land.

**St George and the Dragon**
The legendary tale of a fire-breathing dragon, a princess in peril and a bold knight who saves the day.

**Curious George Dragon Dance**

Far, far away over the high, high mountains in an old castle wall, in a tiny, tiny hole there lives a little mouse called George. He's very small and rather timid and he can be a bit clumsy too. In fact, poor George is so hopeless that he can't even make lunch without burning his cheese on toast! But when a huge and terrifying dragon attacks the castle, George springs into action! Because as fans of George and the Dragon know only too well, George has a very special talent . . . This stunning new edition is perfect for new readers, as well as fans of George and the Dragon. This is a charming children's tale from the exceptional storyteller and illustrator, Chris Wormell.

**Paint Your Dragon**

'Far, far away in the high, high mountains in a deep, deep valley in a dark, dark cave - there lived a mighty dragon.' He was an awesome and frightening creature, terrorising whole armies, destroying castles, demolishing forests and kidnapping princesses. But this mighty dragon had a deep, dark secret. . . . Uncover a charming tale of adventure, a dragon, and an unlikely hero. Told with gentle humour and mesmerising illustrations, this is a picture book to enchant and
delight. This stunning new edition is perfect for new readers, as well as fans of George, the Dragon and the Princess. This much-loved classic tale comes from the exceptional storyteller and illustrator, Chris Wormell.

**George and the Dragon and a World of Other Stories**

St George and the Dragon: The Legend of Saint George and the Dragon Colouring Storybook for adults and children. Featuring illustrations from the brilliant "St George and the Dragon: The Legend of Saint George and the Dragon" by Mark Watson and Richard Caine. St George is the patron Saint of over 50 Countries worldwide. Each country celebrates St George's day with differing traditions, the story is never out of fashion and grows in popularity each year. St George is the Patron Saint of Aragon, Catalonia, Ethiopia, Georgia, Greece, Lithuania, Palestine, Portugal, and Russia. St George is the patron saint of soldiers, archers, cavalry, chivalry, riders, saddlers, farmers and field workers. St George is also the patron saint of Scouting as he "was typical of what a scout should be." Writer Mark Watson has researched all the legends of St George and taken the parts that are the most common - putting his doubts and fears in a box, giving the Princess a rose - and discarded the more boring aspects to create the definitive version of the legend. Any extraneous parts have been trimmed such as the Princess entering a lottery, Saint George recovering under an orange tree etc to make the book very lean in its storytelling, St George arrives, sees the destruction, fights the dragon and is defeated, recovers and ultimately triumphs, like a Hollywood movie, it is the classic three-act structure. Roses became a symbol of the patron saint because a beautiful bloom is thought to
have grown on his grave. This also came from a tradition in Catalonia in Spain - of which Saint George is also a patron saint - where women would give men a book and receive a rose in return on the feast day. St George's day is typically celebrated on April 23rd. The illustrations of St George and the Dragon have been done by German artist Richard Caine, each image has been handpainted in acrylic. This is the culmination of almost a year's work. The story of St George is written in verse, like all Mark Watson's children's books. The verse is constructed of rhyming couplets in perfect rhyme Thunder splits the air, lightning flashes all around, from the pit beside the castle comes a frightful sound. The rolling clouds of poison, chum and tear apart, from the mighty thump thump thumping of a giant dragon's heart. The Dragon rises from the gorge, filling all the sky, he sees himself, a tiny George, reflected in its eye. "Who are you?" The Dragon asks, "Have you come alone?" Its voice is pure evil, like bone scraping bone. This knight of the crusades, holding lance, shield and blade sits upright upon his horse, grim yet unafraid. "I've been abroad but now I'm home. My name is George, I stand alone. There is no army only I, I'll fight and win or fight and die." What are you waiting for? Grab your copy NOW! Read the kindle version of this book for FREE with a KINDLE PRIME, KINDLE LENDING or KINDLE UNLIMITED membership.

**The Dragon Machine**

Satisfying both as a story and as an exploration of story, The Three Pigs takes visual narrative to a new level. When the wolf comes a-knocking and a-puffing, he blows the pigs right out of the tale and into a whole new imaginative landscape, where they begin a freewheeling
adventure as they wander-and fly-through other stories, encountering a dragon and a cat with a fiddle, among others. This familiar tale will never be the same old story again.

**Saint George and the Dragon**

Retells the segment from Spenser’s *The Faerie Queene*, in which George, the Red Cross Knight, slays the dreadful dragon that has been terrorizing the countryside for years and brings peace and joy to the land.

**English Fairy Tales**

Through no fault of his own, the once human Jim Eckert had become a dragon. Unfortunately, his beloved Angie had remained human. But in this magical land anything could happen. To make matter worse, Angie had been taken prisoner by an evil dragon and was held captive in the impenetrable Loathly Tower. So in this land where humans were edible and beasts were magical--where spells worked and logic didn't--Jim Eckert had a big, strange problem.

**Gentle George and the Dragon**

An evil dragon has taken all the animals from the village. Now he demands a young girl to eat every day. Can brave young George help the villagers and rescue the princess?
George and the Dragon

Retells the segment from Spenser's "The Faerie Queene, in which George, the Red Cross Knight, slays the dreadful dragon that has been terrorizing the countryside for years and brings peace and joy to the land.

Kenny & the Dragon

A fictionalized tale about Saint George, the Roman soldier who defied the emperor's orders to destroy the Christians after imagining himself fighting an evil dragon.

Saint George and the Dragon

The Dragon and the George

In Western tradition, St. George is known as the dragon slayer. In the Middle East, he is called Khidr ("Green One"), and in addition to being a dragon slayer, he is also somehow the prophet Elijah. In this book, Robert D. Miller II untangles these complicated connections and reveals how, especially in his Middle Eastern guise, St. George is a reincarnation of the Canaanite storm god Baal, another "Green One" who in Ugaritic texts slays dragons. Combining art
history, theology, and archeology, this multidisciplinary study demystifies the identity of St. George in his various incarnations, laying bare the processes by which these identifications merged and diverged. Miller traces the origins of this figure in Arabic and Latin texts and explores the possibility that Middle Eastern shrines to St. George lie on top of ancient shrines of the Canaanite storm god Baal. Miller examines these holy places, particularly in modern Israel and around Mount Hermon on the Syrian-Lebanese-Israeli border, and makes the convincing case that direct continuity exists from the Baal of antiquity to the St. George/Khidr of Christian lore. Convincingly argued and thoroughly researched, this study makes a unique contribution to such diverse areas as ancient Near Eastern studies, Roman history and religion, Christian hagiography and iconography, Quranic studies, and Arab folk religion.
